MISSIONS ON THE MOVE

Following Christ's example of service through faith, hope, love, and witness.

The Missions Team is happy to report that our long-awaited projects are coming to life.

This month our devoted Bag Ladies will be gathering to prepare special lunch bags that will be delivered to Friendship Shelter which provides shelter and rehabilitation to homeless adults. Our kitchen will be buzzing with activity the second Saturday morning of the month.

A special Shout-Out goes to Susie Hess for bringing Holy Yoga to LNPC. Susie offers this wonderful program and collects donations from participants. These donations are used for our Missions Projects. Thank you to Susie and for the many of you who are participating in this Yoga Practice.

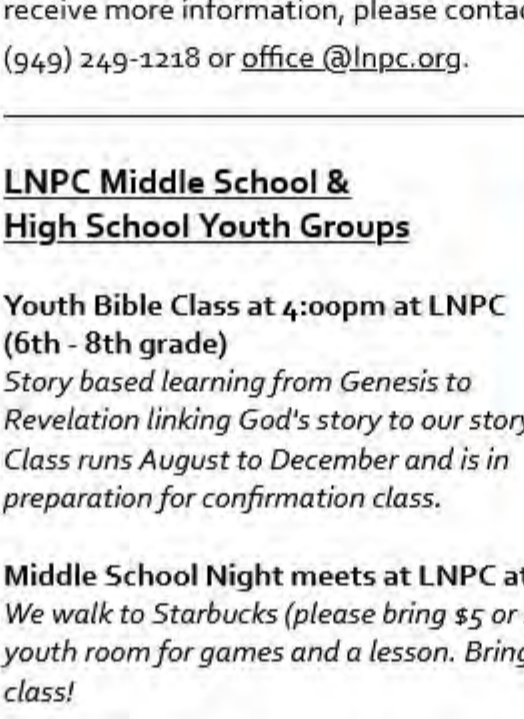

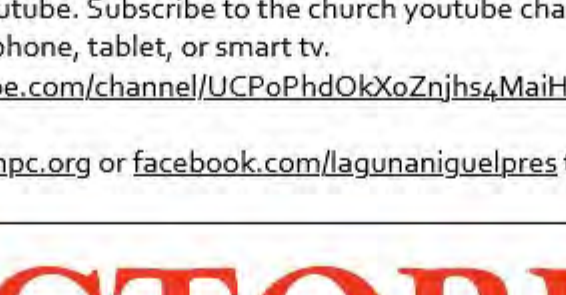

The Holidays are quickly approaching and we have two events that we hope all of you will participate in.

The Missions Team will be organizing Thanksgiving baskets for local families through South County Outreach. On Sunday, November 7, and Sunday November 14, non-perishable Thanksgiving items will be collected at the Missions Cart. On November 15, the Team invites you all to help in putting the baskets together. Gard Hall at 6:00pm. More details to come.

The Missions Team has always supported our Military and in December, we will be collecting gift cards for Military families. This year, we are partnering with the Laguna Niguel Military Support Committee and currently, they have identified 255 children that will be receiving this Christmas surprise. More specific details to come.

If you would like to actively be involved in any of our projects, please contact Cassandra Ondryas or Chris Green. mama.cassa@me.com

Thank you all for your continued prayers and support.
